ABOUT US

Container Solutions Co. LLC was set up in Dubai in the year 2003 with an aim to create a refreshing new service-oriented approach to the burgeoning business of container conversion, trading and depot services in the Middle East and surrounding regions.

Thanks to its highly professional work ethics and a long-term approach, Container Solutions is today a reputed name within the region and in the international market as well.

Container Solutions is committed to creating value for clients and building long-term relationships based on trust, quality, expertise and on-time delivery. The company's fast paced growth from a start-up to a full-function corporation is a direct result of this attitude.
